

SENT VIA EMAIL

November 7, 2025

Dear Community Partners,

The Berkshire Community College (BCC) Board of Trustees invites you to participate in a **community listening session** as part of our search for the College's next president.

These sessions are designed to gather insights from a wide range of voices—faculty, staff, students, alumni, and community partners—to help develop the **presidential profile**, a document that will guide the recruitment and selection of BCC's next leader.

Your perspective matters. The input shared during these sessions will help shape the qualities and characteristics we seek in our next president, ensuring the College continues to thrive as a vital educational and community resource in the Berkshires. In particular, the conversation will be focused on these key questions:

- What do you value about BCC?
- What opportunities do you see for BCC and the next President?
- What challenges will be waiting upon the next President's arrival and in the near future?
- What qualities/characteristics do you think are necessary in our next President?

Listening Session Details:

- **Date:** Friday, Nov 14, 2025
- **Time:** 11:30am - 12:30pm
- **Location:** <https://zoom.us/j/99119062989>
- **Facilitators:** Nancy Crimmin and Eric Richtmyer from Academic Search

Please RSVP by Wednesday, November 12 to Heather Seely at hseely@berkshirecc.edu or by responding directly to this message.

If you are not able to participate in the Listening Session, please use this link to share your thoughts directly with Academic Search: [Community Partner Feedback](#)

We hope you'll join us in this important conversation and share your vision for Berkshire Community College's future.

With appreciation,

Julia Bowen

Chair, Board of Trustees

Berkshire Community College
